MARY GRACE Y. OMAC

ACCOUNTANT | TAX TECHNICIAN | U.S. CMA

marygraceomac@gmail.com

PROFESSIONAL SUMMARY

U.S. CMA and accounting professional with 7+ years of experience across bookkeeping, cost accounting, tax compliance, and financial reporting. Supports multiple U.S. HVAC and home-services contractors in QuickBooks Online, including reconciliations, payroll, job costing, and month-end reporting. Detail-oriented in finding and resolving account discrepancies, and builds reusable tools that make team workflows faster and more consistent.

CORE COMPETENCIES

Accounting & close: Bank and credit-card reconciliations; month-end close; general-ledger review; budgeting
Cost & job costing: Cost accounting; job-level profitability; expense control
Payroll: Processing and review across multiple payroll platforms
Tax: Tax-filing preparation and documentation; client tax support
Reporting & analysis: Financial statements; cash-flow review; financial-risk analysis
Audit support: Audit preparation; resolving inconsistencies; internal audit policies
Communication: Clear written and verbal reporting to owners, managers, and clients

PROFESSIONAL EXPERIENCE

Bookkeeping & Accounting Support | U.S. HVAC and Home-Services Contractors
7+ years | QuickBooks Online

- Manage QuickBooks Online books for multiple U.S. HVAC and home-services contractors, covering reconciliations, payroll, job costing, and month-end reporting.
- Reconcile bank and credit-card accounts, review general-ledger activity, and identify and resolve account discrepancies.
- Support payroll processing and review across multiple payroll platforms.
- Apply cost-accounting and job-costing practices to monitor job-level profitability and expense control.
- Prepare tax-filing documentation and provide client tax support.
- Support financial-statement preparation, cash-flow review, financial-risk analysis, audit preparation, and internal audit policies.
- Build reusable tools that help teams work faster and more consistently.
